

## 2024 Men's Order of Merit Point Values

The Order of Merit is used to rank players for selection to Lamey Cup, PNGA Player of the Year Nominations, and other awards and team selections.

BC Golf, Pacific Northwest Golf Association, Golf Canada, and other Provincial Championships are included in Order of Merit calculations.

The Top 5 Events per player count towards their total score.

Calculations for the season will be completed in October and November 2024. Calls to BC Golf regarding the Order of Merit will not be answered. Point allocations are available [here](#).
