**RULE 25 REQUEST FORM**  
**(for determining eligibility under Modifications for Players with Disabilities)**

Only players who hold an EDGA WR4GD Player Pass are eligible to use the modified rules under Rule 25 in a BC Golf competition, with players who are eligible then using the modified Rules applicable to their category of disability. Notwithstanding the above, all players holding either an EDGA WR4GD Player Pass or an EDGA Access Pass are eligible to use the modified rules under Rule 25 in the British Columbia All Abilities Championship; however, only players holding an EDGA WR4GD Player Pass are eligible to win the overall All Abilities Championship. Eligibility decisions under Rule 25 are required only for players who have impairments that fall within one of the four categories of disability covered in the Rule:

- Player who is Blind or has a Visual Impairment
- Player who is an Amputee
- Player who uses an Assistive Mobility Device
- Player who has an Intellectual Disability

The EDGA WR4GD Player Pass and the EDGA Access Pass are administered and issued by the EDGA Eligibility Team and the application process for golfers to get an EDGA Pass is free of charge. More information can be found at: [www.edgagolf.com/online/pass/pass\\_info.php](http://www.edgagolf.com/online/pass/pass_info.php).

In order to use the modified rules under Rule 25 in any BC Golf competition, a player with an EDGA Access Pass must first submit a RULE 25 REQUEST FORM to BC Golf to be assessed by an EDGA Eligibility Assessor. The RULE 25 REQUEST FORM must include details about the EDGA Access Pass held by the player and must be submitted to BC Golf at least 60 days prior to the start of the competition. BC Golf may require a player to be assessed by an EDGA Eligibility Assessor to confirm their eligibility to apply Rule 25 in a competition.

Such information should be submitted by email to BC Golf to the attention of the Amateur Championships and Rules department:

BC Golf will not evaluate requests without all required documentation having been submitted in its entirety as part of a single submission. **If BC Golf has previously confirmed a player's eligibility to use the Modified Rules, then it may continue to accept a player's eligibility to use the modifications in Rule 25 without the need for an additional or ongoing review.**
